COURSE DESCRIPTION
This conference is designed to present the newest research and clinical advances in neuro-oncology. Emphasis will be placed on diagnosis and treatment of brain and spine tumors. Renowned faculty representing the country’s leading institutions will provide updates on brain/spine tumors and immunotherapies.

TARGET AUDIENCE
This conference is designed for neurologists, neuro-surgeons, medical oncologists, residents, advanced practice professionals, nurses and other health care professionals interested in this field.

ACCREDITATION
In support of improving patient care, Rush University Medical Center is accredited by the American Nurses Credentialing Center’s Commission on Accreditation, to provide continuing education for the healthcare team.

Physician/Physician Assistant/Nurse Practitioner
Rush University Medical Center designates this Live Activity for a maximum of eight (8) AMA PRA Category 1 Credits™. Physicians/Physician Assistants/Nurse Practitioners should claim only credit commensurate with the extent of their participation in the activity.

Physician/Physician Assistant/Nurse Practitioner
Rush University Medical Center designates this Learn Activity for a maximum of eight (8) hours (0.8 CEUs) of continuing pharmacy education credit. Proof of participation will be posted to your NABP CPE profile within 4 to 6 weeks to participants who have successfully completed the post-test. Participants must participate in the entire presentation and complete the course evaluation to receive continuing pharmacy education credit.

LEARNING OBJECTIVES
At the conclusion of this conference, participants should be able to:

• Discuss the advances in the diagnosis and treatment of brain and spinal tumors
• Understand neurological complications that can be encountered in the treatment of systemic cancers
• Describe how advances in surgical techniques can be used to improve outcomes.
• Understand treatment strategies for rare brain tumors
• Understand how novel treatment strategies are being developed and used to isolate and treat brain metastases

Pharmacist
This program is approved for 8.0 hours (0.8 CEUs) of continuing pharmacy education credit. Proof of participation will be posted to your NABP CPE profile within 4 to 6 weeks to participants who have successfully completed the post-test. Participants must participate in the entire presentation and complete the course evaluation to receive continuing pharmacy education credit.

To REGISTER and for more information visit www.MoffittBrainandSpine2020.com

Moffitt Cancer Center and the Office of Interprofessional Medical Education at Rush University reserve the right to cancel the course due to unforeseen circumstances, in which the full registration will be refunded. Travel expenses incurred by the participant in case of cancellation will be their own responsibility.

DISCLAIMER: The information provided at this CME/CE activity is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgement of a healthcare provider relative to diagnostic and treatment options of a specific patient’s medical condition.
