Florida Society of Clinical Oncology

12th Annual
GREAT STRIDES TOGETHER
with Rapid Integration Course

21st Century Oncology Developments for the APP/RN and Physician Team

June 12 & 13, 2020

Venue:
Moffitt Cancer Center - Vincent A. Stabile Research Building
12902 Magnolia Drive | Tampa, FL 33612

APPs | RNs | Physicians | Medical Students | Allied HCP’s

Rapid Integration Training
June 13, 2020

- Introduction to Oncology for New to oncology APPs.
- Education and networking opportunities.
- CME/CE credit opportunities for Physicians, Physician Assistants, Nurse Practitioners, and RNs with an interest in oncology.
- FLASCO creation of state-wide initiative and network of relationships among PA’s & NP’s in oncology and other disciplines.

Great Strides Together
June 12, 2020

- Understanding the financial toxicities of recently developed treatments
- The new indications and implications for treating CLL
- Discussion on integrative/complimentary medicine
- Infectious Disease: Best Practices
- Addressing wellness and burnout and maintaining mental health for the patient, care giver, and practitioner.

New to Oncology?

Join Dr. Tan and other expert faculty on Saturday, June 13th, from 7 am to 3:30 pm at Moffitt Cancer Center, to positively impact the speed in which you integrate into the oncology practice setting.

REGISTER at www.FLASCO.org
DESCRIPTION OF ACTIVITY—This is a 2-day joint meeting that includes CME/CE credits designed for oncology physicians, nurses, nurse practitioners, physician assistants, as well as other healthcare professionals involved in the management of cancer patients. Great Strides Together is a continuing education event well established in the state of Florida. Based on evaluations from the previous 10 consecutive years, this conference has been able to deliver a state-of-the-art educational experience and hence, provide healthcare professionals with the tools to offer the best quality of care to their patients. The Rapid Integration program will focus on new to oncology practitioners, integrating major advances in basic sciences and how to apply them into the routine clinical practice, and hence, to deliver a more personalized medicine to our patients. The schedule will include 30-minute presentations from speakers from a variety of practices to teach basic skills that are important for the new practitioner in a hematology and/or medical oncology practice that will lead to rapid integration into the oncology workforce.

CONFERENCE OUTCOME MEASURES—Participants should be able to apply the knowledge acquired during this conference to improve their competence, performance, and/or patient outcomes in the daily treatment of their patients. To measure attendees’ perceptions of these gains, they will complete an evaluation form after the conference.

OBJECTIVES

- Recognize the benefits of a collaborative approach using MDs, PAs, NPs, & RNs to provide quality patient cancer care and management.
- Discuss disease specific information and innovative treatment modalities.
- Participate in an organized state-wide initiative/network of PAs, NPs, and RNs in oncology/hematology and other disciplines.
- Describe the roles of NPs, PAs, and RNs within healthcare reform.
- Discover the benefits of the team approach to the care of cancer patients utilizing interdisciplinary methods to improve access to care and patient satisfaction.
### Accreditation and Credit Statements

In support of improving patient care, this activity has been planned and implemented by the Medical Educator Consortium and the Florida Society of Clinical Oncology. The Medical Educator Consortium is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physician** The Medical Educator Consortium designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing** The Medical Educator Consortium designates this activity for 11.75 contact hours. Pharmacotherapy contact hours for Advance Practice Registered Nurses will be designated on your certificate. The program content has been reviewed by the Oncology Nursing Certification Corporation (ONCC) and is acceptable for recertification points. ONCC review is only for designating content to be used for ILNA points and is not for CNE accreditation. CNE programs must be formally approved for contact hours by an acceptable accreditor/approver of nursing CE to be used for recertification by ONCC. If the CNE provider fails to obtain formal approval to award contact hours by an acceptable accrediting/approval body, no information related to ONCC recertification or ILNA categories may be used in relation to the program.

**Physician Assistant** The Medical Educator Consortium has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 11.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

**Disclosure Policy** The Medical Educator Consortium (MEC) adheres to the Joint Accreditation Criteria and ACCME Standards for Commercial Support, which requires everyone in a position of controlling the content of a CME/CE activity to disclose all relevant financial relationships with commercial interests related to the activity content. MEC has implemented a mechanism to identify and resolve all conflicts of interest prior to the CME/CE activity being delivered to learners. The source of all support from commercial interests will also be disclosed to learners prior to the beginning of the educational activity. CME/CE activities must be balanced, independent of commercial bias, and designed to improve quality in health care. All recommendations involving clinical medicine must be based on evidence within the medical profession.
